The 220th Hv Tank SP Regt of the Eighth Gds Army is stationed in Glauchau. It is possible that the regiment began transferring from Glauchau to Gera in late Hovember 1952. The small number of flatears and the rather high number of boxears with the troop trains indicate that, for the time being, only equipment and some tanks were transported from Glauchau. The new quarters in Gera can only be the barracks installation at Tinz.	25X 25X 25X
